Reffett Associates is awarded GSA Schedule Contract

**IN
THE
LOOP**

July 2010 – *Reffett Associates, Ltd.* is pleased to announce that it has been awarded a General Services Administration (GSA) Schedule contract to provide the federal government with executive search services.

The General Services Administration is a leading provider of goods and services to federal agencies. Under their Multiple Award Schedules, GSA establishes long-term government-wide contracts with commercial firms like Reffett Associates, providing access to over 11 million commercial products and services at volume discount pricing.

The firm underwent a substantial review process and background check conducted by Dun and Bradstreet through their Past Performance Evaluation as part of the contracting process, in which it received a score of 98 out of a possible 100, and was rated in the top 20% of all contractors to undergo evaluation.

The company possess over 75 years of experience working with and for governments at the highest levels - from the Office of Personnel Management (OPM), State and Local Governments, Industry Associations and on Capitol Hill.

Our executive search team has a wide breadth of experience in conducting executive searches for the U.S. Federal Government. Our firm has completed important executive search engagements for the IRS, USDA, OPM and DOE. The firm was also the only retained executive search firm in the nation chosen to conduct diversity human capital officer recruitment engagements for GAO.

The firm's GSA Schedule contract is under:

- Schedule 738 X (Human Resources & Equal Employment Opportunity Services)
- Category 595 21 (Human Resources Services)

The GSA contract number is [GS-02F-0194W](#), and is effective July1, 2010 through June 30, 2015.
